Program Year 2022 – 2023
Energy Assistance Application Packet

Our energy assistance programs are now open through July 31, 2023. Byrd Barr Place administers both the Low Income Home Energy Assistance Program (LIHEAP) and the Puget Sound Energy Home Energy Lifeline Program (PSE HELP). Households can qualify for one or both programs.

Eligibility
1.a. Household lives within the Seattle city limits. (Note: ZIP codes 98106, 98178, 98177, and 98133 are served by two different agencies; please call to see if you are within our service area. We do not serve the 98148 or 98168 ZIP codes for unincorporated Seattle.)
2.a. Household’s monthly income must be at or below 150% of the federal poverty line. See income eligibility guidelines at byrdbarrplace.org/energy.

</tbody>
</table>

We can assess for 1, 3, or 12 months of income. Eligibility is based on the month prior to the signature date. A 20% deduction is taken on all earned income taxed at the time of payout.

3.a. Household has an active Seattle City Light account, an oil account and/or Puget Sound Energy account, or
3.b. Household pays energy costs as part of their rent

Required Documents
1. Household Information Form and/or PSE HELP Application. (Included in this packet.)
2. Signed Energy Savings Tips Form. (Included in this packet.)
3. Income documentation for all adults 18+ for the month prior to the signature date.
4. Copies of social security cards for ALL household members. (At least 1 household member must have a social security number.)
5. Energy use documentation. Documentation depends on heating type. (See below.)

I certify that I have provided and reviewed all information on each page of this document, and it is accurate to the best of my knowledge. I understand that I may be subject to criminal prosecution if I have knowingly provided false information. I further understand that I may request a Fair Hearing if the provision of the above information is not acted on to determine my eligibility within a reasonable time or if I do not receive benefits for which I feel I am eligible. I give my permission for this agency and Washington State Department of Commerce (COMMERCE) to request/release necessary information that may result in my receiving benefits from this assistance request and from similar and related programs administered by the State of Washington, including food assistance. I also give the above listed heating vendor(s) permission to establish a line of credit, and/or to release my account information to this agency or COMMERCE for current and future data analysis and eligibility determination. If the vendor is Seattle City Light or Seattle Public Utilities, the permission to release customer billing and consumption information is allowed for up to six months from the date of this application. I understand that provision of my social security number is necessary to avoid duplicate energy assistance benefit payments. In the same applicant household, I hereby authorize energy program staff to also use my social security number for income verification purposes (including Employment Security Unemployment Insurance and DSHS Food Assistance). I further authorize this agency and COMMERCE to use my personal information within their organizations for the purpose of identifying and reporting unduplicated non-personal applicant data.

Energy and Money Savings Tips

Below are a few ideas to help you save money and use less energy:

- Unplug electronic devices when not in use or when leaving home
- Consider investing in a power strip to easily turn off multiple devices
- Turn off lights in rooms that aren’t being used
- Reduce your refrigerator’s temperature (36 to 38 degrees)
- Make sure appliances are turned off after each use
- Consider replacing bulbs with energy efficient lighting (CFL and LED lightbulbs)
- Seal drafts in windows and doors with weather stripping, caulking, or plastic film
- Avoid using space heaters as much as possible, as they are expensive, unsafe, and not the most energy efficient when it comes to heating your entire home
- Vacuum vents and heating baseboards regularly
- Add light colored curtains to windows and keep shades open during the day for sunlight and closed at night to keep warm air in
- Consider installing a water saving shower head
- Lower water heaters thermostat to 120 degrees
- Dust light fixtures regularly
- Take showers, not baths
- Run the dishwasher with full loads only and let dishes air dry
- Lower the thermostat every time you leave the house
- Wash full loads of laundry with cold water, air dry clothes, and clean lint trap
- Raise the heat temperature in your home gradually, since sudden increases will substantially increase your energy usage

Rebates for energy efficient appliances, showerheads, and light bulbs are available. Go online or call your Energy Advisor for more information and how to apply!
